

For our Erfurt-Weimar Airport location, we are looking to fill the following position:

■ Certifying Staff CAT B1 Base Maintenance (m/f)

Your tasks

- Responsible B1 examiner for a mechanic team
- Monitoring the team's activities
- Coordination and division of daily tasks
- Depending on the type endorsement, release and approval of work cards after the inspection
- Troubleshooting for aircraft systems
- Perform engineering orders and service bulletins
- Support the team in conducting scheduled and unscheduled maintenance activities
- Order replacement parts
- Prepare NRCs (non-routine card)
- Conduct documenting tasks

Your profile

- Completed apprenticeship or training as aircraft mechanic, aircraft builder or related training and experience
- A minimum of five years of experience in the servicing of large, civil aviation aircraft and their engines
- Relevant knowledge in the airframe structure
- Knowledge and experience with manufacturer's and aircraft documentation such as AMM and IPC
- Very good knowledge of aviation regulations (LBA, EASA, FAA)
- Good EDP skills (e.g. in the maintenance software Wings)
- Good knowledge of written and spoken English for correspondence
- B1 type endorsement B757 and 767
- Class B driver's license
- Comply with the requirements of a background check in accordance with LuftSiG
- Must be authorized to work in Germany
- Manual dexterity
- Confident decision-making and communication performance
- Readiness for team-oriented collaboration
- Great ability to work under pressure, flexibility and a conscientious, proactive work approach
- Readiness for travel and shift duty

We look forward to receiving your complete application documentation – preferably by email – to jobs@haitec.aero including desired salary and possible start date.
